

Gillespie Creek Journal

Photos from Northwestern Wisconsin the week of August 7, 2022 by Judy Appel

Trumpeter Swans

Notice the three Trumpeter Signets on the left

We are Guests

by Ted Berglund
Pine trees and prairie grass,
Wood lilies and lupine, bird-foot
violets, spiderwort,
Columbine with your red-
crowned crests,
We are your guests....
Great Creator Spirit
In whose strong hands this world
of beauty rests,
We are your guests.
(Adapted from the book of same title,
available at the Crex Meadow gift shop.)

Puffball Mushroom
beginning its life in the meadow

Female Ruby-throated Hummingbird
sipping from a Russian Sage plant

The Compact Little Blue Stem Grass Plant

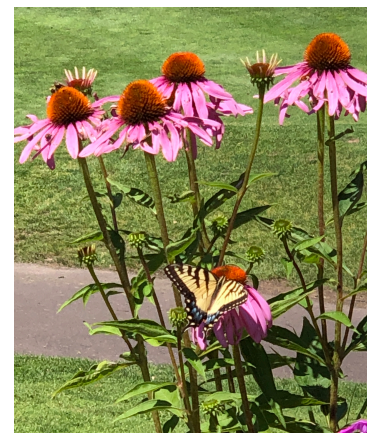

Garter Snake
Well camouflaged in grasses
